

AVASA ACTS

Assurance on Contactless, Touchless and Safety Standards.

Dear Valued Guest,

I trust you and your family are safe and in good health.

The present global pandemic has made us all more aware of our health and safety, with particular focus on cleanliness and hygiene. It is most evident now that this pandemic could be overcome only through constant practice of strict personal and social hygiene standards.

At AVASA Hotels, we have always kept cleanliness, hygiene and safety at the top of our concerns and now we are going a step beyond. We have initiated AVASA ACTS, our Assurance on Contactless service, Touchless access and Safety. It is our commitment to superior services backed by a pragmatic approach to a safe and healthy environment without compromising on guest satisfaction.

AVASA ACTS has been created in collaboration with disinfectant experts and as per protocol and guidance provided by the Govt of India. All our associates have been oriented to work seamlessly towards giving you a safe and hygienic stay.

Looking forward to welcoming you, and let you experience the same as ever AVASA hospitality during the new normal.

With warm regards,

K. Mohan Krishna
President
